Membership fees

Membership fees are due 1 year from the joining date and are GST free.

Membership to Healthy Living NT is not restricted to people with diabetes and we welcome affiliate members, clinics, schools and organisations.

Membership

Healthy Living NT is a charitable organisation which supports Territorians, providing a wide range of community based services along with advocacy and support, diabetes education, cardiac rehabilitation, physical and nutrition education, information and advice.

We also provide a range of products and services including the National Diabetes Services Scheme.
